WSDOT Construction Activity & Possible Delays/February 19-29, 2004

HIGH IMPACT!! I-90/Argonne to Sullivan (MP 287-292)- Work resumes on this project with sweeping work to prepare for paint striping. Also the contractor will begin placing additional concrete barriers.

- Tonight (Thursday, February 19) beginning at 7:00 p.m. until tomorrow morning (Friday, February 20) at about 6:00 a.m. crews will be sweeping westbound I-90 between Sullivan and Argonne. Westbound I-90 will be reduced to one lane. Westbound motorists should expect slow traffic.
- On Saturday (2/21), sweeping work will continue on westbound I-90, between Sullivan and Argonne, during daytime hours. Westbound I-90 will be reduced to one lane. Westbound motorists should expect slow traffic, congestion, and delays.
- Beginning on Monday evening at 7:00 p.m. until 6:00 a.m., the contractor will be placing concrete traffic barriers. This work will continue each evening. Westbound I-90 will be reduced to one lane. Westbound motorists should be alert for slow moving trucks.

SR 27-Grand Avenue in Pullman (MP 0-1)-Sewer work will be underway between Harms Rd. and Fairmont Rd. Motorists should expect single lane traffic directed by flaggers during daytime hours. This is a City of Pullman project.
